PCTE Group of Institutes
www.pcte.edu.in

About Conference

NEP 2020 is the first education policy of the 21st century and replaces the thirty-four-year-old National Policy on Education (NPE), 1986. Built on the foundational pillars of Access, Equity, Quality, Affordability and Accountability, This policy is aligned to the 2030 Agenda for Sustainable Development and aims to transform India into a vibrant Indian knowledge system in society and global knowledge superpower by making both school and college education more holistic, flexible, multi-disciplinary, suited to 21st century needs and aimed at bringing out the unique capabilities of each student. Indian Knowledge System (IKS) is passed down systematically from one generation to the next through the Indian Knowledge System (IKS). Rather from being a custom, it is an organized system and a method of knowledge transfer. The Vedic literature, the Upanishads, the Vedas, and the Upvedas form the foundation of the Indian Knowledge System. The conference aims to bring renowned professional, researchers, academicians, industrialists, and scholars on a common platform to share their valuable research, contributions, opinions and innovations. Academicians from higher education, technical education, school education, health & physical education etc.

Students from diverse corners of the globe flock to PCTE, relishing in the college's tranquil environment while gaining enriching exposure to numerous fields of study.

ABOUT SSUN, NEW DELHI

Shiksha Sanskriti Utthan Nyas started as a Movement to Save Education in the year 2004 against the distortions in the prevailing text books of school curricula in the country. This movement achieved a remarkable success in removing these distortions with the help of Judiciary and Advocacy. This movement was institutionalised with the formation of "Shiksha Sanskriti Utthan Nyas" in the year 2007. Since its inception, the Nyas has been instrumental in providing the new alternatives to the education at various levels. Nyas held discussions and deliberations in the form of seminars, workshops and sessions with the teachers, students, parents and administration involved in the education throughout the country to identify major problems that have infected the education system. At present Nyas is Working on the various areas of Education like Character Building & Personality Development, Environmental Education, Vedic Mathematics, Teacher's Education, Autonomy in Education, Competitive Examination, Management Education, History Education, Research, Higher and Technical Education. A part of these, the other working areas of the Nyas are Women Education, Bhartiya Bhasha Manch, Bhartiya Bhasha Abhiyaan, Medical Education along with implementation of NEP-2020 and Atam Nirbhar Bharat
